General Information

Described as both subtle and devilish, Meadow Valleys winds through meadows and charges across ravines, reflecting the natural features of the Wisconsin terrain. Scores of bunkers and water areas shored with railroad ties complement the Scottish influences in Pete Dye's work.

The golf tournament fee is \$181.50 per player (includes greens fee and cart). The fee can be charged to your room account if you are staying at the American Club. **Cancellations must be made 96 hours in advance.**

Rental clubs are available for \$85.00. Please indicate below if you wish to rent clubs and we will reserve them for you.

Proper golf attire is required. All players must have collared shirts and slacks or dress shorts. In addition, no denim pants, shorts or shirts are allowed. Shoes must be soft spiked.

Participation in the golf tournament is **open to all meeting attendees and spouses/guests.** Foursomes will be arranged and posted at the meeting registration desk. A scramble format will be used in the tournament.
